Donnie Price Memorial Scholarship Golf Tournament

Somerset County Recreation and Parks is having its 20th Annual "Golf for Youth" Golf Tournament on **Friday, October 16, 2026** at Great Hope Golf Course. All proceeds for this tournament will benefit the youth recreational programs of Somerset County Recreation and Parks.

The "Golf for Youth" Tournament was renamed for Donnie Price who passed in May of 2014. Donnie Price, a former employee and avid supporter of Somerset Recreation & Parks, spent many years working to better the lives of youth in Somerset County through sports and recreational activities. It is in this way that we choose to remember our dear friend and co-worker through giving children the opportunity to participate in our recreational programs.

Somerset County Recreation, Parks & Tourism would like to partner with you to help provide recreational activities for children in our community through sponsorship or gift donation.
